**INFORMATION DISCLOSURE STATEMENT**

Sir:

The Examiner is respectfully requested to consider the references, copies enclosed, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached form prepared by Applicants; this form is generally based on Patent and Trademark Office form PTO/SB/08a, but is not a USPTO form. Pursuant to 37 C.F.R. 1.98(a)(2)(ii), copies of cited U.S. patents are not included, but will be provided upon request. Copies of four foreign patent documents and forty seven non-patent literature documents are enclosed herewith.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of any accompanying form, whether such form is generated by Applicant or is a USPTO form, is not an admission that all

listed references are prior art. No representation is made that applicants know of the best art.

The Examiner is advised that the remainder of the references listed in the substitute for form 1449 have been submitted or made of record in U.S. Application No. 09/815,296 filed March 21, 2001, from which the present application claims priority. Accordingly, copies of the cited references are not attached hereto.

It is believed that this submission requires a fee of \$180.00 under C.F.R. 1.97(c)(2), which is being paid electronically in conjunction with this EFS submission. If this is not correct, or if problems are encountered using the EFS system, please charge any deficiency or refund any difference to deposit account no. 07-1969.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Sally A. Sullivan".
